### The Premises:

Very private entrance at rear of the property recommended.

Very safe. Establishment uses video front & rear. Call in advance for directions. I arrived at 1pm but had to wait for an appointment at 2:30pm. Even then I had to wait ..... Nothing is rushed at Debbies, but believe me it is well worth the wait.

### The Lady:

Very fit Lady in her 40s. I struggled to keep up with her.

### The Story:

I will not reveal any secrets or detail. Jenny performed everything that was allowed under the terms and conditions of Debbies. I left exhausted and extremely satisfied. During foreplay there appeared to be a significant fluid loss on her part. Most positions were tried and found to be very successful. I now need a rest to recharge my old batteries before I can return to the challenge.
