The Premises:

City Hotel near to the redeveloped waterfront area. Very clean, easy to park and totally discreet as it is a busy hotel and I was assumed to be a resident popping in and out.

The Lady:

I believe she said she was from Greece and of mixed descent. Blonde, athletic, toned, attractive and striking. Looks like a porn star, without being excessively endowed with cartoon like proportions. I was virtually speechless from arrival.

The Story:

I tried the number on the off chance and 1 1/2 hours later I was knocking on the door, unsure of what to expect. The door opened and I was snogged and shown into the shower on arrival. Anticipating owo may be on offer, cock and bollocks were duly scrubbed. Back in the room for what became a massively sexy encounter - owo, licking, sucking, massage, cunt teasing cock, cunt teasing face, more owo, ball licking, ball sucking, deep throat and cim. Fuck me she is very horny and she is very dirty - I have had the good fortune to have fucked and been blown by a lot of ladies but this was an exceptional experience way off of the scale. She smeared my cum around her face, over my cock and balls then began to lick, suck and blow me some more. I particularly liked the way that she wiped her spunky chops around my hairy stomach and groin area. If you can make an appointment, this is one very horny lady. Very seldom do I visit the same lady twice, but this will be a definite exception.
