The Premises:

Well reported on, probably the best parlour in Stoke on Trent

Nice and safe, only downside is the waiting lounge can be a bit embarrassing when waiting with other punters!

The Lady:

Ashley is a stunning blonde with a lovely figure, natural breasts and a great personality. Had spotted her last time I visited and thought how pretty she was. I asked her why her pictures weren't on the website as guy's she really is gorgeous she said there was no need as she keeps getting repeat business, I can see why!

The Story:

Finished using the shower (which couldn't decide whether to freeze me or cook me!), the Ashley came in gave me a nice kiss and then a massage that was actually quite accomplished. Sorted out the options, went for a bit of everything for 80 and had one of the best punts I've had for a long time. Will definately go back for more next time I have a row with the girlfriend. Just hope it ties in with the days Ashley works.
