The Premises:

Easy parking at the shops across the road. Felt safe enough, but area looks run down. Inside it as basic but clean. Shite radio station playing in the room, but once Libby was in the room, I never noticed it again.

The Lady:

Exactly as described on the website, mid thirties, 34EE and about a size 12, 1.7m tall long legged sex goddess. Most importantly she was beautifully clean with a lovely tasting pussy with a pierced clit.

The Story:

First visit to the establishment, not certain what I was going to get, so went for a quickie, wish I had booked for longer. Very relaxing lady to be with and made me feel completely at ease. Gave me a nice back rub before turning me over and I got to play with her lovely breasts and pussy. On with the rain coat and some nice gentle oral. Never played with a clit piercing before, but quickly got the hang of it and had a great time between her legs with both heads. She was nice and moist and sweat smelling and tasting.

Having gone in not really certain how it was going to be, I think i have found my ideal lady, comfortable and caring with a pussy that loves to be played with. To hell with young and stunning, goodlooking, relaxed and mature is the way forward.

15 mins is not enough with this lady. Next time it will be 45mins or an hour.

Thank you Libby
