### The Premises:

Went to Gerrard Cross. This is a flat above a shop. Very discreet and plenty of parking. The flat is clean and the bedroom is reasonably well decored and very dim. And it always cold :(

### The Lady:

If you like boobs then this girl will blow you away. She has a pair of double E cups that in my case got me instantly hard. She is an attractive English lady with dark hair and in her 30's. She also has tatoo's which I did not mind.

### The Story:

She walked in with a lovely smile and offered me a drink. We sorted out the paperwork and when she returned she offered me a regulatory massage. She is a good listener and when we kissed I could sense that she was a little tense (no tongues!).

She went down to greet my general and started with some nice OWO. But I kept on feeling as if she was just getting started and I was expecting the most teasing and intense blow job but she never shifted out of 2nd gear and I was left wanting more. In the end I had to tell her what I wanted and that slightly improved the experience. She is also not a fan of pre-cum so that played it's part in the whole oral experience.

Then I suggested she take a rest while I went down on her and Uh Oh the whiff of fish did not impress me. Good hygiene is a must in this profession and she was still so tense she nearly suffocated me a few times.

Then it was on with the rubber and her on top. Now this lady is tight. So tight in fact that I was only halfway in and to give her credit she tried her best to do the right thing but it was not working so we changed position and I got my happy ending :)

I know she's going to read this so my advice to her is that she has a fantastic body to die for and all she has to do is use it to her advantage. Use your boobs to full effect (e.g. Body 2 Body and oily tit wanks) and men will cream their pants before they have taken them off and return for more. Please relax and don't get all tense as this impacts the service you provide from start to finish. If she'd have walked in grabbed my balls, stuck her tongue down my throat and sucked me like a McDonalds Strawberry Milkshake she'd have had me out of the door in 10 mins and I'd be sitting in my car booking her again for next week :)

Jokes aside. Guys this lady is a great punt. She had me walk off with a smile on my face and I'm sure she'll do the same for you.
