The Premises:

Basement flat 2 minutes from Anerley station. Main entrance is a bit exposed being located between some shops on main Anerley road and the door looks like it hasn't seen a paintbrush in years, but I understand that there is a rear entrance which I did not use. Inside it has seen better days but was clean if a a bit untidy.

The Lady:

Curvy blonde with huge natural tits. Great legs and bum go on to make an excellent package. Pictures on website are entirely accurate.

The Story:

Started with an excellent back massage, perhaps one of the best i have had from a WG. Then at my suggestion we moved to me licking her pussy, which was extremely completely wet after I had finished. Then on to her giving some fantastic oral, followed by sex starting in missionary and moving on to doggy, her fav, with me coming soon after.

This lady totally filthy and a real star, and will, in my opinion be in much demand.
