The Premises:

Well-known flat with access down grotty side alley behind local shops. Flat OK but smells a bit smokey. Bedroom quite cold, which Gaby complained about too! I noticed from outside when I left that the bedroom window was broken. Couldn't help wonder whether it had been done by a disgruntled customer (perhaps someone who like me had the misfortune to visit Jaz - see my FR on her). They need to get that fixed quickly.

The Lady:

Very fit Polish girl, I'd guess mid to late 20s. Pretty girl with nice figure. Nice rack. Soft skin. Kind of girl you wish was your girlfriend.

The Story:

I had been avoiding Affinity after the dismal Jaz experience but when I rang was told that Jaz had gone (guess others were as unimpressed with her as I was). Description of Gaby was promising, especially when told that she swallows. On arrival Gaby greeted me in a friendly way. She confirmed that she does indeed swallow the spunk. She removed her tight red dress, revealing a very fit body. She offered a massage which I accepted. Nice fairly firm back rub then some teasing of my balls. Turned over and Gaby set to work on my now hard cock. Gave me some good stimulating ball sucking then started on the main task. Gaby sucks cock well and I couldn't hold on for long. I pumped a good load into her lovely mouth and she swallowed the lot. I'll definitely visit again as the sucking and swallowing was very good, I'd like a go at her pussy and she really is a nice girl.
