### The Premises:

A basement flat looking like its in the middle of some refurbishment. Builders noise from house next door.

She will ask you to ring the bell for entry,when you see the bell you will knock on the door [ I will leave you to work that one out , why ? ]

Take along some paint with you also, as one wall and the door and frame to her bedroom is not yet painted. Just bare plasterboard and wood. I suggest a pale blue for the wall and a white undercoat and gloss to the woodwork.

She lives with other girls, but I saw no-one. I only saw her bedroom and hall,I never took a bath or shower. It's not the kind of flat I would want to spend more than 60 minutes in.

### The Lady:

A young 19 year old [soon to be 20 ] russian student over here for six months to make some money before going back to finish her medical degree.

Good spoken english,short blonde hair, small breasts, natural, shaven below, dressed in a black bra and pants which I guess she wears for every client, saves time undressing . A friendly girl .

She keeps her eye on the time,but the russian isn't rushin you .

### The Story:

What's it going to be then,eh ?

Ok , so I get this phone call right, and the chelloveck wants to see a short devotchka, he's read about me on the internet, says his name is Dawson. So I agree to see him ,he sounds choodessny, doesn't ask for any strange requests and I need the deng .

We agree on ?70 for lots of pol and OWO . The pol with condom .

He drops his platties on the floor and he's standing there in his neezhnies with a smile on his litso . I note that he has a fine pair of sharries and he's not at all grahzny.

I lay back on the podooshka and he fixes his rot on my groolies . He gives me prolonged OWO , like real horrorshow till my plott is trembling with desire.

Then I get on top for some lubbilubbing and he comes quickly.

I give him more OWO then the clock says ookadeet, then he dresses, I tell him , " don't forget your shlapa "

He's off to get some spatchka after his exursions, I wave goodbye to my new found droog .
