Usually works from her own place in Croydon (Addiscombe) but currently using a hotel room in central Croydon - 3 or 4 mins walk from East Croydon station. Room was fine, double bed, usual hotel room environment.

### The Lady:

Very slim (or skinny!) girl, late 20s I'd guess, long black hair. Very pleasant and friendly.

### The Story:

Woke up horny as hell and came across Racey Lane's profile on a certain other website. Liked the photos and from the description it was clear she covers most services other than A, including cum swallowing and bareback penetration. Racey (short for Rachael) did not dissapoint in this respect. She met me at back entrance of hotel (discrete enough) and took me to the room. In the room she offered me a drink and we soon got on with the business in hand. Racey wasted no time in sucking my cock and soon had me very hard. She sucks enthusiastically and expertly. She clearly enjoys it (she said so and I had no reason to doubt it from her actions) and probably spent a good half hour of the meeting with my cock in her mouth. I made a couple of very nice BB visits to her pussy. Very tight and felt fantastic inside. She does allow cum in pussy but she said she prefers the cum in her mouth. I love throatfilling so it was back on my back watching this sweet petite girl going down on my cock. Great to watch and Racy's excellent technique had me rock hard. I came heavily deep in her mouth and she didn't flinch, continuing to suck and drain me dry. She then swallowed it down, and giggled cutely. A very good time was had.
