The Story:

First time I have seen Carla, I was attracted by her many positive field reports! I was not disappointed! I had a really enjoyable 1.5 hours, coming three times (as did Carla). She is really easy to get on with, and makes great suggestions for positions to try and things to do, without being at all dominant. Finished up by taking a shower together, which was equally exciting. Thoroughly recommended, as is Annabellas in general.
