The Premises:

Parlour in Newcastle street Burslem a bit old and run down from the outside but refurbed inside, very safe apparently been in service for many years. round the back entrance easy parking

The Lady:

jenny is a mature lady tanned great looking early forties, the girl who answered the door was also very sexy, had the 30 mins service two girls on today i think this parlour like the one next door caters for the gent who likes mature experienced staff

The Story:

Nice warm room was offered a drink and a shower, Jenny was very attentive had a magic velvet touch with those hands using her great body to maximum effect, cracking value all the time it was in my mind when i finshed i was going to have the othern girl sent up but i was totally spent so will definiteley go back for more at 30 quid it would be rude not to
