The Premises:

Very clean and well organised. Not as 'penthouse' as some of the previous HOD places from a few years ago, but very comfortable, well furnished and decorated etc.

The Lady:

Stunning girl. The new photos on the site, much better than her early photo's, are very accurate, but what you dont see is how much more beautiful she is in the flesh. Absolutely gorgeous eyes.

The Story:

I saw Kiera on her first day @ MK Escorts. She is a natural and had me under her spell straight away, I wanted to extend within seconds of meeting her.

A perfect GFE ensued, and although this was her first day here I got the impression that she has the right attitude and enough of a wicked streak to go as far as she wants to. Enjoy it if she takes you along for the ride!

Chatting to her it is obvious that she is an intelligent girl with more than one string to her bow. She is motivated and will be successful at whatever she does. Get some while you can.

Kiera is not for those looking for plastic DD's and lots of fake moaning. If you like sexy, fit, confident English girls, you can't go wrong.

Would I return?

I have already been back for a second session.
