### The Premises:

Basement flat located in Paddington, easy to find. One of the nicest I have been to thus far. Bedroom in particular is spacious.

### The Lady:

As many have remarked, Maria's pictures don't do her full justice, and although I've now warmed to those pictures, she looks even better in person. Petite as well.

### The Story:

I saw Maria at the beginning of November but have only just gotten round to writing this FR.

Not really sure what else I can say about Maria that hasn't already been mentioned by other punters, but I knew as soon as she greeted me at her door and went straight in with intense DFK (before I even had a chance to put down my umbrella and pay her), that I would be in for a good time.

Formalities and shower out of the way, and back to that intense DFK. This led to the bed and Maria riding me cowgirl style for ten minutes, before a similarly-intense OWO which finished me off. A break and chat, and then more of the same DFK, plus rimming (my first time partaking in this activity). Again she ended by OWO'ing me to completion, every last drop. The one image I took away from this punt was of Maria kneeling above me, going "rawrrr" like a lioness, allowing me to see my boys swimming around in her mouth, before she wiggled her way off to the bathroom. Not going to forget that in a hurry.

Maria is not a clockwatcher in any way and even though we'd gone over time she wouldn't let me leave so quickly. She was still busy chatting to me and snogging me, and even let me use her shower again before she (eventually!) allowed me to leave.

I do not go punting very often, but I am pretty sure that with Maria I have struck gold.
