### The Premises:

I visited Angel in her own home- I was given good directions beforehand and on the day. I felt very safe, it is very discrete, nice and clean -in the bedroom is a large mirrored wardrobe. Angel puts you at ease from the start with a hug and lovely smile

### The Lady:

Angel is originally from Mongolia she is 4' 11" and very beautiful with a lovely smile. Angel has a pierced tongue (and this adds to her excellent oral skills!) She has 34 c bust with lovely nipples. Angel is clean shaven with lovely soft skin. A very polite and friendly lady with great communication skills throughout -very eager to please. Angel has a very good sense of humour. It was a very cold day and Angel made me hot cup of tea to warm me up! Angel is very chatty and was keen to talk about her Mongolian background which I found very enlightening

### The Story:

From the start Angel put me at ease and is very attentive. Angel is very gentle and does not rush you. Angel has a very sweet tasting (and sensitive!) pussy- she likes receiving oral. Angel's kisses are very special

Angel has excellent oral skills -she gave me a mindblowing owo session -lots of eye contact, excellent use of tongue, I had an unbelievable orgasm. Cleaned up in bathroom which is very nice. Throughout the session Angel makes you feel very relaxed, there was lots of fun and laughter. From the moment Angel opened the door I was treated very special and had an excellent time with a very beautiful and friendly lady. Baya la laa (thank you in Mongolian) Angel for a very special time together
