The Premises:

Quiet flat near the Shopping Centre in central Milton Keynes, parking is about 30p/hr until 18:00. The flat was clean and well ordered, despite what was clearly a busy day. The room is tastefully decorated (although I?m not there to judge the decor) and spotlessly clean, with a VERY well sited full length mirror.

The Lady:

Elise is about 5'8" tall, with shoulder length blonde hair and blue/green eyes. She has a beautifully looked after and delightfully shaped body; she has the look of a girl next door and minx! Elise arrived in a red lacy bra/panty ensemble, with the obligatory high heels. I needed my jaw needed sowing back on when she entered the room.

The Story:

Elise is a professional, warm and hugely talented Hungarian girl. I really had a good time, as we clicked, which make the whole experience so much more natural. Suffice to say I enjoyed every minute of the occasion - The FR?s on her profile page are numerous for a reason!
