### The Premises:

well reported by me read previous reports

sound safe and busy discreet entrance at the rear off road parking opposit on street parking side and rear

### The Lady:

Tamara Is a very Leggy Mixed raced Girl as beutifull as and better than her pictures on the web site, She has a very sexy exotic look about her and her leggs seem to lead to heaven were you shall find a semi natural bush that hides a veryexcitable wet haven and i mean wet

she has a greta face pretty and dresses well she had a black boob top on and a nice leather skirt with stockings tops just peeping out from onder the skirt in fact i remarked how nice she looked ample breasts and soft and natural to with attentive nipples when caressed softly  
Tamara is a smiley friendly person and holds a good conversation and is respectfull Plz treat her with respect

### The Story:

i arrived and tamara was working with several other girls,she explained she was not suppoee to be working but she had missed a shift the previous day and come in for the extra  
well this was her day to make my money and my lucky day to strike gold here with this lucious lovely beauty

right away we hit it off undressed and onthe bed she walked in to the room and gave me a great massage to get me in the mood, this seem to go on for a while until she ask me to turn over at this point i thought here we go short punt because of the long massage another rush job

I could have not been more wrong she told me i would not be able to leave until she had fulfilled my fantasy so off we went RO/69 and over in to mishand finish off with a great hand job at my request and once again the unusal clean up session from tamara nice final touch

Lovely Girl Lovely service Lovely time NO RUSH a kiss on the cheek and on my way XX Thx  
Tamara
