The Story:

This was my first time and like just about everyone else i was nervous as hell. I'd looked at Paris website for months before plucking up the courage to call and make an appointment. Paris couldnt have been nicer and put me entirely at ease. We discussed the sorts of things that i wanted to experiment with and she was really lovely about making that happen for me. I wondered whether one hour would be better for my first time - but honestly my advice would be go for the longer booking - particularly if you're nervous. Paris encourages communication which again is a great thing for a novice punter and i would urge you all to take advantage of her welcoming and encouraging attitude. Two hours went amazingly quickly and actually i had to dash off as i'd overrun and was late for a meeting. When i arrived 10 minutes late i couldnt help saying the classic line 'Sorry I was tied up in an earlier appointment'!! hank you Paris and i'm only sorry it's taken me this long to get round to filing my first report.
