### The Premises:

In my usual Glasgow hotel and my usual time.

### The Lady:

Very short, blonde, tanned toned body, hair extensions, large enhanced breast and very enhanced lips.

### The Story:

I had been advised that Sandy was a good punt however, I found her to be rude and suffer from delusions of grandeur. In her pics, she is quite attractive, but in the flesh, she is a bit cartoon-character like. She is tiny, and her massive boobs and huge lips are very out of proportion and her over-botoxed forehead, face and cheap hair extensions were a massive turn off.

Her pics on her site have been, in my opinion hugely photo-shopped.

As far as services went, she certainly wasn't bad, but certainly wasn't great either.
