The Premises:

Met in her luxury apartment, which was very clean and tidy, it was spotless, no clutter no junk. Very easy to find approx a minuets walk from Barbican underground station, turn left out of station and you are there. Arrived by public transport so would not know what parking in the area was like, as so easy to find when using public transport.

Entrance on main road very discreet, felt very safe, area is good.

The Lady:

Vanessa is stunning is as fit as f**k, long blond hair, very nice boobs very nice nipples just right to suck, all over tan, fully shaven. dressed as she met me at the door, or should I say undressed, in her very sexy underwear.

The Story:

Vanessa is very friendly and out going, met with a snog, before much was said, I got everything I was expecting and more, as to GFE no girlfriend does what she does, least not the ones I have had.

Vanessa?s OWO is fantastic, sex with her is out of this world, Vanessa Started round one with kissing cuddling, OWO me licking her pussy which she seemed to enjoy she likes being fingered, if how vocal she was, is anything to go by, she seemed to enjoy it, sex with her on top kissing her is great, with her on her back she seem to respond very well to it, she was caressing and moving.

Then round two started with a nice massage, then on to oral and a nice wank she asked me if I wanted to cum over her tits, which I thought was nice, then sex again with Vanessa on her back. Not anything at all like other escorts who just lay there, I think she enjoyed it as much as I did, maybe I am wrong, but that is the impression she gave me, by the noises she was making, nothing over the top just nice. When I left, she see me out in the nude, she was in no hurry to get dressed as she was going to have a shower, nor is she a clock watcher, in fact I finished and told her time was up. I was offered a shower before and after which I had, clean towels where provided, three showers in a day.

I can highly recommend this young lady.
