The Premises:

Kira works from a small bedsit in the Hull City centre. Although small, it was comfy and tidy. There is (metered) parking outside, not a problem at the time I visited, and the area felt safe enough.

The Lady:

Kira is a tall (5'9), willowy (size 10) lady in her early to mid-thirties. She has long red hair, enhanced (size D) boobs and is very pretty.

The Story:

I expected Kira to be a little tired after what might have been a long day and to be honest wasn't expecting too much from this punt. Oh how wrong I was. Kira met me at her door dressed in heels, stockings and a basque and my immediate thoughts were "ah well, if she IS tired, at least I'll have something nice to look at".

Well, within 2 minutes of arriving, any fears of a lackadaisical performance were dispelled. Kira wrapped her arms around me and starting a wonderful session of DFK which was only interrupted occasionally to remove an item of clothing or two. Once sufficiently disrobed, we moved onto the bed. More kissing took place, followed by some pretty wonderful OWO.

I then decided to return the favour with some RO and found, to my delight, that Kira was wonderfully responsive to my oral administrations and a number of very real seeming orgasms resulted on her part. Then it was time for full sex, so on went the protection. We had sex in cowgirl, doggy and missionary (lots more full on kissing in this latter position) before I opted for a CIM finish, willingly offered by the lovely Kira.

We rounded off the booking with a nice friendly chat for 5 mins before I bid her goodbye almost exactly an hour after I arrived. At no point did Kira look at the clock and I didn't feel rushed or hurried at any time. All in all an excellent punt and Kira is thoroughly recommended by me.

One note of caution, there was no shower in evidence in Kira's bedsit. There may be one, but I wasn't offered a shower at either end of the punt. This was no problem for me as I had showered in my hotel room 30 mins before. If you wish to avail yourself of shower facilities at Kira's, it might be wise to ask about their availability on the phone beforehand.
