The Lady:

Pam and Emma Louise are both brunettes of medium build who are very well known on the London party scene.

The Story:

This was the second of 'Mistress Emma's Domination Parties' - a new feature at Pam's which as yet has not attracted many punters. I am the only one who has attended both so far, and each time there were just a couple of other guests. Great for me, as I got plenty of attention from both girls but they are a bit mystified as to why there hasn't been anywhere near the take-up that Pam's more conventional parties regularly enjoy.

The domination element tends to be led by Emma, who has more experience in this field, but none of it is compulsory and the emphasis is on fun rather than humiliation - unlike some Mistresses, Pam and Emma are more than happy for their slaves to fuck them. Emma also gave me a good seeing-to with her strap-on!
