The Premises:

A typical walk-up. Well reported before. Perfectly safe and contains all the facilities you will expect from such an establishment.

The Lady:

Shelly is a young, slim Romanian Brunette, sporting a small physique with a petite sensual bust.

The Story:

Whilst wandering the cold streets of our illustrious capital, I found myself with some moments to kill, and henceforth, meandered my way into the local vicinity.

Despite the sickening Christmas decorations lathered everywhere in the stair-wells, I opted for the Romily street abode since, strangely enough, many of the Lisle street haunts were occupied.

Shelly is new to the area and deserves many plaudits for her performances. She was very attentive and seemed a very affable person. She told me that she had only been there for a week, although you wouldn't know it.

Her English is very fragmented though and maintaining any type of conversation was rather laborious.

The highlight of the vent was without doubt her oral skills, which proved very gentle and almost affectionate. Not very deep, but the exquisite way in which she tackled this task was very sweet.

A lovely girl and one to definitely visit.
