The Premises:

New Thai House is a first floor establishment which has great security and is very clean and well kept. The location is only 2 mins walk from the city centre and very easy to find although the entrance is a little off putting being so close to sainsburys

The Lady:

Jessi is a beautiful Thai lady probably mid to late twenties with fantastic enhanced breasts beautiful long hair and an amazing body a little sour faced at first but dont be put off let her open up

The Story:

this was my first time at this establishment i received a warm welcome at reception and shown to the room and offered a drink. Jessi arrived 2 minutes later and wow what a beauty. i started with a massage which was excellent and during which opted for full service jessi was very attentive to my every need and provided great foreplay and great sex i cannot wait to work in leicester again to see her once more
