The Premises:

An isolated bungalow way out in the country. So isolated in fact you could probably get away with having sex in the garden. Her bedroom has large french windows leading out to the garden, there's no blinds which adds to the naughtiness.

This seems to be a shared house with a number of other Poles living there, but she took care to make sure the coast was clear before my entry and exit. If it snows you may want to park in the village and take a long walk to her place.

The Lady:

Gabriella is a happy, friendly Polish girl in her late 20's. With her glasses, she's more librarian than Euro slut. She does however have a very tight, slim body and ample breasts.

The Story:

I booked her for the minimum one hour, but it was a very cheap hour at just ?100. I'd say you need a good hour to experience Gabriella's GFE. She's quite the seducer. The sex was great as she proved to be tight all over and she managed to keep me on the edge in a number of positions for what seemed like forever.
