The Premises:

Very stylish & immaculate apartment with totally discreet and secure underground parking, didn't see a soul. Tasteful, modern, nice art and furnishings... but hey, what is this, Homes & Gardens?! Easy to find especially with the epic text essay of directions from IK.

The Lady:

Gorgeous blonde, mid twenties, 5'4", size 8, with very toned but shapely body, long legs and a faultless, perfect peach of a bum

The Story:

What a cracking girl. Brilliant fun, great sense of humour, REALLY loves to chat about anything and everything. Very upfront and disarmingly honest, I felt instantly at ease and even more so after we shared a couple of glasses of wine. Frankie's a lady who knows her own mind, what she likes, what she wants out of life and how to get it.

She's also completely comfortable in her line of work, she clearly loves and genuinely enjoys it. I've met plenty who describe their services as GFE but Frankie redefines it. If you're not up for a bit of banter and treating this girl like a lady then maybe she's not right for you, but to me they don't come any classier than this Co. Durham sweetheart.

An hour was nowhere near enough, we spent practically half that time chewing each others' ears off. But when it came down to it, she was every bit as erotic, sensual and pneumatic as I'd been imagining whilst getting to know her. Check her IK profile for services and an insight into her character, all self-penned she insists.

Frankie's a brilliant fun, and smokingly hot, top class escort who's inspired me to do at least two things for the very first time. 1) post a FR. 2) Promise her and myself a re-visit.

Much as I'd like to keep her all to myself she's too good not to talk about. Folks, be gentlemen, you get out what you put in. Merry Christmas Frankie, R x
