The Lady:

Beautiful petite lady. Late 20s. Not the lady in the Pic!

The Story:

This agency does a switch job you never get the lady in the pics according to the escort. Had a good time with her none the less but no OWO and gentle sex nothing as described on the site. We had nice convos and a decent session. Was disappointed by the agency then the girl as they dont provide the girls shown on the pics jus any random available girl. I would recommend the lady but you wouldnt know if you would get her again as its like a fruitmachine, whoever turns next you will get them regardless of who you choose!
