### The Premises:

A quaint house in a quiet area, plenty of parking in front of the house. Felt a bit difficult to get to but once you've found the entrance its easy to get to.

### The Lady:

A blonde bombshell with fantastic breasts. At 5'7" (I think) she was a nice height and was just gorgeous.

### The Story:

Firstly to get me in the mood, Chlo gave me a wonderful massage slowly scintillating me with her fantastic breasts. She gave me a blow job to get me as hard as possible and asked me if I would like a tit wank. My first ever tit-wank, it felt amazing and I came on her tits. We had a bit of a chat and then went again. It was a great experience with Chlo and I will definitely see her again in the future.
