### The Lady:

Looks older than the photos. Hair style is certinly different

### The Story:

Overall, a good effort on her part. Almost her first action when I dried myself off out of the shower was to sit down on the floor, lean against the bed and deep-throat me. She didn't need to be prompted to get herself oiled up give me a nice b2b massage and slipped into rimming with no problem. She even got two loads out of me (no mean feat these days). Well done!
