### The Premises:

Clean, spacious apartment with plenty of parking nearby which is free of charge from 6pm. I was initially shown to the small bedroom when I arrived but the lovely maid asked me to move to the spacious middle room before the punt started which was much appreciated.

### The Lady:

Gorgeous Latina about 5'2" tall with a toned, tanned figure plus nicely enhanced DD breasts.

### The Story:

Jade welcomed me with a French kiss and helped me out of my clothes (which I always find to be a highly enjoyable way to start a punt) pushing me down on the sofa in order to remove my trousers before placing them neatly on a chair. She then treated me to a lap dance during which I got very well acquainted with her DD boobs as she titillatingly rubbed them up and down my body.

I was led to the bed and invited to lie back where we deep French kissed before Jade tenderly kissing my chest and abdomen. I then got to experience her outstanding OWO as she began flicking her tongue gently against my shaved balls before working her way up my shaft and finally taking my length in her mouth. This fantastic combination of stimulating techniques was used to great effect and brought me to a fantastic climax.

As I lay stupefied in the bed, Jade briefly left the room to freshen up. She soon returned to lay beside me and we caressed each other as she attempted to teach me some of her native Portuguese (I struggle to pick up new languages at the best of times let alone when I'm cavorting with a gorgeous naked lady!). Having recovered my senses after my first climax I felt it was only fair that I returned the favour and she responded to my RO with some gentle moaning and writhing as she appeared to climax.

Jade stuck a condom on me and got on top for cowgirl followed by doggy and lazy doggy as I used some of my newly learned Portuguese to express my enjoyment whilst Jade responded in kind with some sultry sounding language. As the hour drew to a close Jade once again brought me to another sensational climax with her wonderful tongue flicking OWO.

The first Brazilian lady that I have ever punted with and based upon this memorable experience it certainly won't be my last, delicioso!
