The Premises:

Well known in town centre.

The Lady:

Charlotte is a pretty 20-something who's curvy and has a nice new haircut. Friendly and very easy to get on with.

The Story:

Have seen Charlotte around Sirens a few times and finally got round to seeing her. No ice to break as she is so easy to chat to and we were soon kissing and joking. Charlotte seems happy to kiss and we carried on on bed as I took her clothes off to reveal her softly curvy proper's woman's body. Spent a long time on ro which she appreciated then oral on me and some very enjoyable sex. I worked hard on oral and sex to get Charlotte to cum and think I managed, a few times. Very very good time which I should have allowed myself some time ago.
