The Premises:

She came to my hotel.

The Lady:

Amanda arrived at my hotel on time, she is a really beautiful girl who can hold a good conversation, her English is excellent. It says on her web page that her breasts are natural but there is no way those puppies are real, they are fantastic, very firm and up there!! She is quite tall with an excellent figure and lovely long flowing blonde hair.

The Story:

She undressed in front of me and wow those breasts, they are magnificent. Amanda gave good bbbj while also using her tits to tittifyfuck now and then, wow they are great. I was sat on the bed for bbbj, she put on the condom and straddled me for some sex, she has nice tight pussy with the Brazilian stripe, I prefer this to fully shaven. I lay her on the bed for mish, then turned her over for doggie was glad there was a mirror so I could watch her body. She took off the condom and wanked me onto her breasts, I'm sure she could sense what I was thinking! Came all over those puppies, she carried on rubbing my cock on those breasts and I was very sensitive. Good intense orgasm, this girl knows her trade and how to keep you on the edge.
