### The Premises:

The usual pace near Staples - easy to find and park

### The Lady:

Stunning ebony babe ! Very busty - could not stop touching and sucking. Soft tight smooth skin on a very nicely toned body . Bum you cannot stop gently squeezing .

### The Story:

This was my second booking with Millie. First time at this agency. Date may be a bit out as it was a few weeks back now . True stunner. Who was it who said women should leave a little bit of clothing on to leave a bit to the imagination ? Tosser ! This lady looks absolutely jaw droppingly gorgeous when naked. She knows she looks great and loved having the photos done. She slipped effortlessly out of a fish net thingy . Must have been quite comical as I fell around the room trying to get me trainers and socks off to join her in total nudity.

Loads of kissing and breast play then onto the bed . Superb oral and loved receiving it too.

Reached a point where I needed to have her on her back to give her the penetrative pounding she was craving. I am sure I am not the first and I won't be last .... but the rhythmic creaking of the bed , the sexual sighing , the sexual squelching the swaying of her breasts and sight of my pink toddler disappearing into her to snug undersized pussy broke me down in just a few short minutes .

Have seen a number of ebony escorts in the past and Millie is certainly the best. Nice and chatty before and after the fun . Lovely manner about her and totally committed to the booking . Can't understand why she has no feedback on this site . Hugely popular at her last place . Maybe we are all being greedy and trying to keep her for ourselves . Cannot recommend highly enough . Hope to have round 3 very soon Millie . Thank you x . If there really is life after death then can some one plz pencil me in for being Millie's photographer !!
