The Premises:

Five-star hotel, which Sandy was using as her incall location for a London tour. Felt safe and room was very clean.

The Lady:

Petite (5'2") lady in her thirties with very long blonde hair and sexy curves. She's lightly tanned and obviously keeps herself in shape. Her legs seem rather long, considering she's not very tall. Her photos are definitely representative of her actual looks, and she has a pretty face too!

The Story:

I'd seen Sandy advertising and had resigned myself to never actually being able to visit her, as she's based a long way away from me near Portsmouth, so it was time to "seize the day" when I saw she was doing a short pre-Xmas London tour!

Sandy answered the hotel door wearing a simple, chic black dress and we sat chatting for a few minutes to relax a little before she asked me to unzip her dress. Sandy was wearing the cream lace underwear and tan stockings ensemble I'd requested and looked amazing.

We then spent an hour of DFK, OWO and covered sex before she finished me off with a nice handjob. One of the things that can spoil a punt for me is if the lady is not really willing to kiss, but that certainly wasn't an issue with Sandy.

Overall, a lovely experience with an elegant, friendly lady that I'd like to repeat! I understand that Sandy plans on visiting London every month from now on, so hopefully I'll get the chance to see her again sometime in 2012.
