The Story:

Overall a dissapointing punt, I had broken one of my golden rules which was dont see a girl if there isnt a raft of great reviews about her. Charlie pretty much skipped the small talk and went straight into "Do you want any extra's". Started with a nice back massage and then asked to flip over where she went straight into OWO. There was just no passion in the session at all and she seemed quite unhappy, the service was very mechanical but what pissed me off more than anything was the advertised 'Full on GFE' Im sorry but NOTHING could be further from the truth. Charlie was non responsive from touching her and kept crunched up the whole time which made it pretty difficult to do anything!

On the plus side she didnt rush the service and had I just been looking for a session devoid of any connection Im sure it would have been adequate. I like Dallias as a parlour its also the place where a few elite girls have worked and indeed where Amy Chloe works who in my opinion is exceptional so I wont let this visit sour my overall view, I just wont take any chances next time!!
