### The Premises:

Well reported establishment. Doorway a bit exposed although small fence provides some privacy while waiting for door to be answered. Inside everything is clean and tidy.

### The Lady:

Not as well toned as the pictures on the website, but still a very attractive girl so I was not disappointed.

The observant may notice this lady appears on several websites and all the feedback is positive hence the reason she is so popular.

### The Story:

When I first arrived she was just about to start with another punter, but the maid got her to introduce herself in case I could not wait. I really did not have the time to wait for an hour, but after meeting Angelina I raced out to do my errands and then rang back to check if I was still at the front of the queue if I returned.

After waiting about 20 mins in a private room I was shown into the bedroom and was quickly joined by Angelina. I won't go into all the details, but we started with a massage (her on me, me on her), lots of cuddling and kissing and a nice long session of reverse O which she seemed to enjoy. She then reciprocated with an amazing deep throat BJ taking my full length into her mouth, and before long I could hold back no more. As there was still some time left she offered me another massage so we chatted while she firmly massaged me all over.

Definitely saving my pennies for at least an hour session next time.
