The Premises:

A very smart apartment in a modern block on between Paddington and Edgware Road. Very clean and modern. Parking was nearby on after hours meters

The Lady:

Very much as the photos, although a little taller than expected and not a waif either. Dark blonde Polish girl slightly bigger built than others but still looks good.

The Story:

Overall a good punt. No qualms about snogging quite heavily, O was WO, sex was good, massage great and no problems about having a second round. She's quite cute in her own way and we had a good chat about what and why she was doing. She seems to have her head screwed on right and is anxious to please customers while she is here.

Whilst I might not go back to her, I would completely recommend as a good punt. For me, it's still a case of 'so many girls...'
