The Premises:

Very clean terraced house about 10mins walk from Croydon town centre, in South Croydon, not far from the main Brighton Road. I always feel very safe.

The Lady:

Pretty, petite Thai girl possibly in her late twenties. Dark hair.

The Story:

I awoke in a horny mood and decided to call the wonderful Sueli (she is the 'madam' at this establishment) to see who was working. She informed me it was Jenny and from her description of the services on offer and the girl herself I knew that Jenny was for me so I hot footed over there.

Jenny greeted me in the bedroom with a smile and turned out to be one of the most sweet and obliging girls I have ever met. She was not prepared to kiss on the lips which was a shame but the other services she provided more than made up for this.

She gave me a lovely sexy massage and then I got on top of her and kissed her neck and breasts. She is very sensitive and just exploded into giggles when I kissed her breasts, no problem, and I actually found this rather endearing. I went down on her lovely little pussy and was able to bring her to a climax which I think was 100% genuine.

She then sucked my cock really nicely and we finished in the 69 position with me coming in her mouth. She was not able to take all my spunk in her mouth but then I had been saving it up over the xmas period! We ended the session with a nice chat.

Once again Sueli has come up trumps with this lovely girl and it was nice to end a rather mixed punting year on a high note. I warmly recommend Jenny and will definitely see her again.
