### **The Story:**

An oriental house where the girl changes every week. Been a few times; generally, good experiences. Had a great time with Vee, she was personable, funny. I asked for a light massage, it was wonderful, she spent a lot of time softly tickling where it counts! This was one of those occasions where I wished I'd more time...I enjoyed the massage so much I had little time left for fucking. But fuck we did - very pleasantly!
