The Lady:

Widely reported on before (including by me) but I can confirm she's gorgeous. Pert backside, a face that's "porn star" good looking, amazing tits and toned everywhere. Lovely.

The Story:

Megan's great in bed, and great out of it. OWO is a particular skill of hers - no hands, just that mouth bobbing up and down, mmm. On this occasion, though, I was a bit stressed and overwrought with a few things so (for the first time in my punting career) the sex wasn't the best bit of this visit - it was the company, and Megan is a skilled courtesan in the old-fashioned sense of the word, she was excellent company, witty, humorous, gently tactile. And sexy as hell, of course. And gave me a fantastic hard massage to relieve that tension!

I will definitely be back!
