Super cute girl, petite, well dressed and better than her website pictures.

The Story:

I was thrilled when I opened the door to let Abbi in. Beautiful well dressed petite girl, friendly personality, with a smooth complexion and mesmerizing eyes. After some chit chat (she is from Romania) I went in for a kiss and was told that she doesn't FK (I booked via Agency Barracuda but on other escort sites which detail services - such as Top Secret Escorts - FK was mentioned as available so I was dissappointed). Proceeded to two rounds of nice OWO and sex in various positions. Would recommend and maybe see again if she warms up to me - I think she might have been apprehensive about kissing as the agency had updated that I was a regular - as I am a healthy, reasonable looking, fit young guy who generally plays safe - no CIM etc and seldom have problems in convincing escorts to kiss.
