### The Premises:

Run down shoddy area, and parlour the same. Could seriously do with a refurb. Bathroom was vile - mould around bath. One of the grottiest I have ever been to, and unacceptable these days.

### The Lady:

A stunner. 5 foot 5 tall, super slim and toned, long hair, gorgeous eyes, pretty face, shaven pussy and nice meaty lips. Very small tits, but fantastic long chewy nipples. She says she has 3 kids and has just come back to work recently. You would not know she has had one kid she has such a superb figure. The pics on the parlour website actually don't do her justice. Jade is friendly and talkative.

### The Story:

Booked the hour on seeing Jade, ?90. Went down on her, which got her juices flowing, then she gave me oral with (without is a tenner extra). She provides the normal extras, including A and WS, which I went for at ?30 and ?10 respectively. She gives superb head! Then we fucked doggy with me standing, then mish, then doggy on the bed. Nice tight pussy. Had a very nice bit of anal before filling the bag. No time for WS. Jade is very quiet, hardly a noise from her except for small whimpers, but she warned me about that and said she does not do fake moaning and groaning. Fair enough for me. Nice unrushed hour, and she has a body to die for. Well worth the visit.
