### The Premises:

Just round the corner from Victoria station on main road - lots of traffic rather than passers-by. Nice enough, but up three flights of stairs. Shower available. Two others working in the flat, and I got the smallest room which was a little tight, but adequate. Maid mentioned that they may be moving soon, but "not too far".

### The Lady:

Singapore, early 20s. Nice looking, slim enough. Very friendly and welcoming and in fact very pleasant company with a good sense of humour.

### The Story:

Usual services including OWO ending in multiple positions. Overall a pleasant experience.
