The Story:

After seeing Chloe a couple of weeks back i thought id pop in and see Chelsea. So glad i did. I showered and got myself positioned on the bed. Chelsea offered me a very tantric styled massage (by my request) as i fancied something a little bit different and guys does she know how to tease or what! Anyway i rolled over and she started to tease me a little bit more. Fantastic service suprised she hasnt got more reports. See you soon. Maybe next time for that 2 girl you mentioned with Chloe
