The Story:

I was greeted with a very warm & welcoming smile on entering her apartment. After the money changed hands, she quickly stripped to reveal an amazing body. After several minutes of DFK, she knelt down and gave me a super blow job. I was soon ready to explode & she slipped the condom on and slipped me inside her while we were on the bed. After a while when I could not contain myself any more I finished in her lovely mouth. WE then spent the rest of the time chatting. She is not a clock watcher and is very friendly. Treat her well. I shall return soon.
