The Story:

Phoned ahead and told massage with relief was available. And that was ALL it was... Massage so, so and HR very mechanical. NO touching her at all allowed which I found very frustration as she was not a stunner but equally not unattractive and she had a short skirt on with no stockings or tights and I love that... When I shot she looked pretty repulsed and that turns me off too. Yeah, it was a lot but that's usual for me and I don't know if that's what she didn't like. Might go back again to see if things can get any better but only if pretty desperate...
