Upmarket, prestigious surroundings. As always inside is nice and clean with a good shower facility, bidet, clean bed clothes and well ventilated.

The Lady:

She is intelligent she is pretty, her body is absolutely amazing, lovely long blonde hair, she stands at around 5' 4", she is a good judge of character and can certainly show you a good time. She can be a fun lady to be with and maintains a professional attitude at all times.

The Story:

Well well. Good things come around once in a while for me. I've never won the lottery and I've not yet settled down with any significant other to start a family. Although I have met a beautiful young lady with a good future ahead of her whilst exploring the delights of the House OF Divine premises. Rare phillies like this come around only once in a while.

Our encounter has been memorable. The sex was not the best I've ever had but sometimes when you spend time with a girl as smart as Tilly the sexual activities are just one of the many attributes that this beautiful babe has to offer.

We started off with some gentle kissing then she treated me to some oral pleasure which made my member throb like an excited heartbeat. She noticed that I was ready for sex. A good observation although on this occasion I felt the need to return the favour which resulted in her sitting on my face and my tongue seeking out her clitoral area. I really felt that she enjoyed this as on came the condom and we commenced with fucking. A ten gallon hat is all that was missing from her flawless rodeo skills. Doggy style was fast and hard, she seemed to enjoy this which made me enjoy it even more. Missionary was very good, the harder I fucked the more she wanted. We chilled for a while exchanged casual conversation and we got into it again. More hard fast doggystyle which she mentioned as being an enjoyable position for her. To summarise, one enjoyable young beauty with a bright future ahead of her.
