The Story:

Decided to give GFE another go after a poor previous experience. Was going to go with Katrina but decided with Emily since she was not busy.

There are two services, basic and special. I chose basic this time. Started with a rub down and a pleasant chat. Moved on to oral which was satisfying. Asked if kissing was allowed but told I would have to pay extra.

She climbed on top and we pumped for 10 mins alternating to mish, then pounded her round ass doggystyle, very satisfying and warm and not mechanical. Finished up inside of her and felt satisfied.

Had a chat for the final 15 mins about her plans for education which rounded off the session nicely.

All in all a good punt which made up for the previous disappointment.
