The Story:

After a few weeks of emails, texts and phone calls, Tina and I finally met up, and I was far from disappointed.

Firstly a shopping trip to the most unexpected shop of all, and no it was not a sex shop. I hope that Tina still has my present. followed by a short lunch and taxi ride back to the hotel.

Tina really made me laugh, when she announced in front of the taxi driver "Will you take me up stairs for sex Please!!!!!"

What happened next was the best time I have ever spent with an escort. This lady is the real deal, like all the other reviews state.

Hopefully we will meet again.

Sorry for taking so long to write this review.
