The Premises:

Industrial Unit, not residential plenty of parking pretty clean just my cup of tea.

The Lady:

Wow absolute stunner, baywatch babe for me if carlsberg did women.....

The Story:

I fancied a boundary push sort of massage and got what I was after, the delux body2body was lovely feeling those boobs rub all over me, that skin on skin body to body was great and sensual as you like. The HJ was just so slow with plenty of eye contact I couldn't have asked for me especially as I was in lunch break who could ask for more for lunch hey!!

I'll be back when I'm in the area again next month thank you Sabrina....
