The Premises:

Very close from Willesden Green tube station, about 1 min away. Safe & clean house and warm room too. 2pm visit so cant comment for after dark, but looked a safe location. Not the plushest of beds but it was good enough for the fun had on it!

The Lady:

Dark hair, tall (Long Legs) and a good handful breasts, well shaped indeed. Her nose was a little prominent, but this did not bother me. She was friendly and nice enough.

The Story:

Advertises under another famous website. I called and asked is she did rimming, but it was an extra 30 quid, so I declined that and went anyway as she was free.

I started with a passionate and horny cuddle which got her (and my) juices flowing. French kissing was nice too. Sucked and tongued her nipples & made her do the same to me. Did oral on her and she enjoyed that to climax.

I had some tight mini briefs on - which I made her take off. Then she did oral on me and before long I came in her mouth. She did not swallow. I asked her to keep going after that as I enjoyed that.

Chated about the UK and Hungary, which is her home town, then again with oral on me and in mish to complete.

Friendly girl and I would see her again if I was in the area. Why not! I am sure I could have made a do a lot more naughty stuff to me. Will try next time!

Nice if u like tall women and nicely shaped breasts!!
